

ERRATA

In Halvorsen JA, Brevig T, Aas T, Skar AG, Slevolden EM, Moi H. *Genital Ulcers as Initial Manifestation of Epstein-Barr Virus Infection: Two New Cases and a Review of the Literature. Acta Derm Venereol 2006; 86: 439–442* Table I is incorrect. The correct table is as follows:

Table I. *Serological findings in two cases of probable Epstein-Barr-virus-associated genital ulcers*

	Genital ulcer(s) appeared	VCA-IgM neg VCA-IgG neg EBNA-IgG neg	VCA-IgM pos VCA-IgG neg EBNA-IgG neg	VCA-IgM neg VCA-IgG pos EBNA-IgG pos	Negative for HSV, CMV, TP, Hep B and HIV
Case 1	Day 1	Day 3	Day 13	6 months	6 months
Case 2	Day 1	ND	Day 9	6 months	6 months

VCA-IgM, IgM antibodies to EBV capsid antigen; VCA-IgG, IgG antibodies to EBV capsid antigen; EBNA-IgG, IgG antibodies to Epstein-Barr nuclear antigen; HSV, IgG to herpes simplex virus; CMV, cytomegalovirus antibodies; TP, Treponema pallidum antibodies; HIV, human immunodeficiency virus; Hep B, hepatitis B serology; ND, not done.

Also the sentence in Case 2, first paragraph "She received benzyl penicillin for tonsillitis...", is incorrect. The correct sentence is as follows: "She received phenoxymethylpenicillin for tonsillitis..."
