

ERRATUM

In: *Shibata A, Sugiura K, Kimura U, Takamori K, Akiyama M. A novel ATP2C1 early truncation mutation suggests haploinsufficiency as a pathogenic mechanism in a patient with Hailey-Hailey Disease. Acta Derm Venereol 2013;*

93: 719–720, in the text on page 720, second column, row 16 is wrongly given: “c.185_188delATGG”. This should be “c.185_188delAGTT”. The authors greatly appreciate that Dr Massimo Micaroni kindly noticed the mistake.
