

ERRATUM

In: *Stockfleth E, Sibbring GC, Alarcon I. New Topical Treatment Options for Actinic Keratosis: A Systematic Review. Acta Derm Venereol 2016; 96: 17–22* a sentence in the Abstract is incorrect. The changes are **highlighted** in the following sentence: Despite a higher vehicle response rate for 5-FU/SA, complete clinical clearance was higher than IMB and IMI (55.4, **42.2**, and **25.0–30.6/34.0–35.6%** respectively).
