

ERRATUM

In: *Hotz A, Oji V, Bourrat E, Jonca N, Mazereeuw-Hautier J, Betz RC, Blume-Peytavi U, Stielor K, Morice-Picard F, Schönbuchner I, Markus S, Schlipf N, Fischer J*. Expanding the Clinical and Genetic Spectrum of *KRT1*, *KRT2* and *KRT10* Mutations in Keratinopathic Ichthyosis. *Acta Derm Venereol* 2016; 96: 473–478, unfortunately, the authors discovered that the original version of this article contained an error:

The mutation ‘c.1544delG, p.Gly515Alafs*104’ should have been ‘c.1544dupG, p.Gly516Argfs*65’. As a result, the C-terminal peptide is arginine-rich and not alanine-rich. This error will now be corrected in the original article.

The authors would like to apologize for any inconvenience.
